Spalding DeDecker Associates Announces New Hire

Detroit - Spalding DeDecker Associates (SDA), a Detroit-based civil engineering firm, has announced the hiring of Bill Lambdin, P.E. as senior project manager in its Transportation Department.

"With nearly 30 years of experience in bridge design and engineering, Bill is a great addition to Spalding DeDecker Associates," said Cheryl Gregory, P.E. transportation department manager. "His experience with MDOT in bridge design, engineering and inspection qualifications will help SDA to expand our capabilities in this area."

Prior to joining SDA, Lambdin was the lead project manager at HNTB for the Independence and Liberty Bridge inspection program in Bay City, Mich. He also spent two months working in Jefferson Davis Parish, La. performing structural evaluations of public buildings as part of the long-term recovery effort from Hurricane Katrina.

Lambdin received his Bachelor of Science in Civil Engineering from Michigan Technological University and his Professional Engineer license in 1984.

Established in 1954, Spalding DeDecker Associates, Inc. is an engineering consulting firm specializing in infrastructure, land development and surveying. With offices in Detroit, Rochester Hills and Trenton, Michigan, SDA is an employee owned and ISO certified organization that provides design and engineering solutions for municipal, land development, transportation and water/wastewater projects. The firm also offers complete construction engineering and land surveying & mapping services.
