Spalding DeDecker Associates Opens Brighton Branch Office

Detroit, MI (October 1, 2007) - - Spalding DeDecker Associates, Inc. (SDA), a regional civil engineering and surveying firm, recently opened a branch office in Brighton. This office expands our geographical coverage in Michigan and is consistent with our growth initiatives. This will allow us to better serve our clients in western Wayne and Oakland counties and Livingston, Washtenaw, Shiawasee, and Ingham, as well as the surrounding counties. Transportation, Municipal, Construction Engineering, Land Development, SCADA, and Survey services will be offered through this office. The Brighton office will provide all of the services that our Detroit Headquarters and Rochester Hills offices provide and SDA clients have come to rely upon.

“The Brighton office will help SDA serve our existing client base in western Oakland and Wayne counties while opening new opportunities to provide value-added services to new clients in the Technology Corridor,” said David A. Lakin, PE, President of SDA.

Established in 1954, Spalding DeDecker Associates, Inc. is an engineering consulting firm specializing in infrastructure, land development, and surveying. With offices in Detroit, Rochester Hills, and Brighton, Michigan, and field offices in Trenton and Farmington Hills, Michigan, SDA is an employee owned and ISO certified organization that provides design and engineering solutions for municipal, land development, transportation, and water/wastewater projects. The firm also offers complete construction engineering and land surveying & mapping services.
