Spalding DeDecker Associates, Inc. appoints Cheryl Gregory, PE Vice President

Detroit, MI (April 14, 2009) -- Spalding DeDecker Associates, Inc. (SDA), a regional civil engineering, landscape architecture, and surveying firm appoints Cheryl Gregory, PE Vice President.

Cheryl Gregory, PE received a B.S. in Construction Engineering from Lawrence Technological University. With 22 years of experience in the transportation industry, Ms. Gregory is currently SDA's Transportation Department Manager, was recently appointed an SDA Associate, and is a member of the Women's Transportation Seminar, the American Society of Civil Engineers, and the Institute of Transportation Engineers. Gregory joined SDA in 2003 after a 15-year career with the Michigan Department of Transportation (MDOT), holding positions as the Metro Region Design Engineer, MDOT Taylor Transportation Service Center (TSC) Manager, and the Port Huron TSC Manager.

"In naming Cheryl Gregory as Vice President, we are recognizing her ability and leadership in the Transportation Industry for our clients. We believe that Transportation will be a leading service area in the revitalization of Michigan, and Cheryl Gregory has the experience to lead SDA in that area," said David A. Lakin, PE, President of SDA.

Established in 1954, Spalding DeDecker Associates, Inc. is an engineering consulting firm specializing in infrastructure, land development, and surveying. With offices in Brighton, Detroit, Monroe, Plymouth, Rochester Hills, and Trenton, Michigan, SDA is an employee-owned and ISO certified organization that provides design and engineering solutions for municipal, land development, transportation, and water/wastewater projects. The firm also offers complete construction engineering, landscape architecture, pavement management, and land surveying & mapping services.
