

## Gibraltar School District – 2003 Bond Projects

Gibraltar, Michigan

The 2003 Bond passed by residents in the Gibraltar School District included additions, renovations, and site improvements to all buildings in the District.

**Spalding DeDecker Associates, Inc. (SDA)** was the Civil Engineering and Surveying Consultant responsible for site engineering and surveying on all of the District's projects.

The 2003 Bond projects included:

### CARLSON HIGH SCHOOL & SHUMATE MIDDLE SCHOOL

The projects included major additions and renovations to the building along with complete drainage and paving of the campus. Paving improvements included new drop-off lanes to enhance traffic flow throughout the site.

### HUNTER, PARSONS, & WEISS ELEMENTARY SCHOOLS

The site work included complete modifications to on-site traffic flow and parking lots.
